2020 USGenWeb Project National Election - Voting ends 7/31/2020

15 July 2020

Dear USGenWeb Project Member,

Voting opened July 1, 2020 at 12M Central Time and will continue until July 31, 2020 11:59pm Central Time. In order to get your voting password go to <http://www.usgwelections.org/GetVoterPassword.cfm>

If you have forgotten your Registration user id and password, enter your email address on file with the Election Committee and your log in information will be sent to you.

If you are registered under an old email to which you no longer have access, contact the Chair, Tina Vickery tvi...@gmail.com or the Dataset Manager, Pat Asher pjr...@att.net

Please -- Do not wait until the last few days before the election ends before contacting the EC about a password. The EC will make every effort to see that all registered voters have an opportunity to vote; but last minute requests may not allow the EC enough time to make the changes that are necessary before a voting password can be sent to a different email address.

Thank you for participating in the USGenWeb Project National Election.

Tina Vickery
Chair, USGenWeb Project Election Committee
