ProposedDisciplinaryHearing

October 6

With this note, the executive session dealing with the appeal of grievance 2009-11-16 is closed. The decision has been reached and both the parties and the Grievance Committee Chair have been notified of same.

October 6

With this note the AB is in executive session discussing a proposed disciplinary hearing.

October 6

For the record, the Advisory Board has been considering an appeal filed against the decision in grievance 2009-11-16.

As a reminder, per the Grievance Procedures, Section V, E.9 at http://usgenweb.org/volunteers/standard-rules.shtml, the AB's role is to determine if the Grievance Procedures were followed, not to rehear the issues. The choices that the Advisory Board has are to affirm the determination or to return the grievance to the Grievance Committee for reconsideration, ensuring that the procedures were followed.

The Advisory Board has affirmed the decision of the Grievance Committee.
