GAGenWeb SC Recall Vote Results (4/21/03) EC Chair Ellen Pack announced:

TO: National Coordinator and Advisory Board, USGenWeb

FROM: USGenWeb Elections Committee

SUBJECT: Results - GAGenWeb SC Recall Election

DATE: 21 April 2003

The USGenWeb Election Committee has certified the results of the GAGenWeb SC Recall Election, as follows:

GAGenWeb CC portion of election -

Ballots received:

Yes: 35

No: 27

Present: 2

Total: 64

A quorum was not reached.

Breakdown:

The voter list that Tim Stowell sent, and which the EC was instructed to use, had 128 names on it. Passwords were sent to those 128.

Of those 128, 10 addresses bounced. Checking the local web sites of those individuals resulted in resolving 3 of the 10. With the help of Jimmy Epperson, SEMA CC Rep, we were able to resolve 3 more of the 10.

Of the 4 remaining, 3 have resigned (either the web site is up for adoption, or there are messages in GAGEN stating that fact).

There is 1 MIA CC who is still listed on the web site, but for which we do not have a valid e-mail addy. All attempts (Google searches, posting to the county mailing list, discrete inquiries) failed to turn up another addy.

The result is that a total of 124 passwords actually reached voters. Larry Stephens reports there were a total of 73 ballots received.

According to Larry:

"However, one Present voter has requested their vote be rescinded. They sent me an email stating they had no intention of submitting a ballot and their email account had been compromised. When I asked how, the explanation given was believable. If that is accepted by whomever, that will reduce the figures above accordingly.

"3 votes disallowed because of incorrect passwords. Despite clear instructions a handful of people did not cut-and-paste their passwords. 2 or 3 others were technically incorrect but I accepted them (e.g., someone substituting the letter O for the digit zero)."

Advisory Board portion of election:

A total of 11 passwords were sent to AB members. Ten passwords were originally sent, due to an error by the EC Chair. When it was learned on Friday, April 18, 2003 that AB member Vicki Shaffer had been inadvertently omitted from the list, a password was sent to her that day.

From Larry Stephens:

Seven AB members voted:

"Tina Vickery, Jimmy Epperson, and Vicki Shafer voted Yes. Jan Cortez, Bill Oliver, Karen Mitchell and Phyllis Rippee voted No."

Thus concludes the GAGenWeb Recall Election. The EC would like to extend sincere thanks to everyone who participated, and especially to Larry Stephens.

Respectfully Submitted,

Ellen Pack Chair, USGenWeb Election Committee

First Quarter EC Report (4/21/03)

TO: National Coordinator and Advisory Board, USGenWeb

FROM: USGenWeb Election Committee

SUBJECT: EC Report First Quarter 2003

DATE: 21 April 2003

The USGenWeb Election Committee respectfully submits the following Quarterly Report to the USGenWeb Advisory Board, for the period 1 January - 31 March, 2003.

January, 2003 -On 31 December 2002, EC members with expired terms were unsubbed from the Elections list. On 14 January the AB confirmed new NENC EC members Kimberly Taylor Morgan, and Jan Cortez. Jan Cortez immediately resigned as AB Rep to the EC. In early January the EC forwarded to the Advisory Board a count(only) of voters by state, per AB request of 30 December, 2002. The EC Chair was invited to temporarily join the BRC to participate in discussion re Elections and Election Committee issues. ON 25 January 2003, Karen Mitchell was welcomed to the EC as AB Rep, replacing Jan Cortez.

February 2003 -With the resignation of EC Archives Member David Morgan, W. David Samuelson was confirmed as the replacement EC Archives member. The EC began a search for voting software to handle Polls and SC elections. The EC Chair accepted a generous invitation to monitor the IAGenWeb election this coming June 9 through 21 to observe an Iowa election in progress, using their software. On 26 Feb 2003, EC members Bettie Wood, Jan Cortez, and Richard Pettys were temporarily unsubscribed from EC list in anticipation of the EC possibly conducting a GA SC Recall Election.

March 2003 -Nominations began for SC election in MNGenWeb. On 19 March, the EC declared Terri Shipp the new MNGenWeb State Coordinator. A poll was conducted of NCGenWeb volunteers, per AB request. Preparation began for SEMA Poll for CC Rep seat. EC member Bettie Wood became a nominee, and was relieved of her EC duties of collecting voter lists for SEMA states. A request from the AB to freeze the GA Voter list pending a GA SC Recall Election, and subsequent AB discussion regarding which GA voter list to use, necessitated a postponement of the SEMA Poll. On 26 March, preparations began for NWPL SC Rep poll, per AB request. Having received no nominations at first, the nomination period was extended.

The Chair would like to compliment the committee members for their extra effort pitching in for relieved members, and for harvesting lists from those states where the SC did not respond, in order to accomplish our goals.

Respectfully submitted,

Ellen Pack Chair, Election Committee USGenWeb Project.

### **Other Business**

Resignation (4/22/03) Karen Mitchell resigned from her position as NW/P CC Rep. NC Harrison asked how the AB would like to fill the position, and also reminded the AB that Karen's position as AB Rep to the EC would need to be filled as well.

### **Other Business**

Resignation (4/30/03) Bill Oliver announced his resignation as NW/P CC Rep.
