<p>Agenda Item Approval of USGenWeb logo use by the 2015 Lincoln Funeral</p>	<p>11 March 2012</p> <p>The following request for permission to use the USGenWeb logo on their site to link back to our Project was received from the 2015 Lincoln Funeral Coalition Project. I think this is a fantastic opportunity for the</p>

Coalition Project

USGenWeb

Project to support another project that has the same purpose (although a much more focused purpose) of supporting and sharing history and genealogical research.

I intend to grant the request for the use of the logo for the purpose stated

unless there are objections lodged by 10 am EDT on 13 March 2012.

Dear USGenWeb Advisory Board;

On behalf of Katie Spindell, Chairman of the 2015 Lincoln Funeral Coalition's Executive Board and Myself as Genealogical Coordinator. I would like to ask USGenWeb to join us as a partner. Your site is made up of volunteers and in that spirit we ask that you join us in making this event all that it can be. You may look at our website here. And see what we are doing to make the 150th anniversary of Lincoln's death the national event it was the first time.

We would like to ask that we be allowed to use the USGenWeb logo on our site with a link to the national page and ask that each state page as well as the National link back to our web site and advertise the 2015 Funeral Train Coalition until the event May 1-3, 2015. Our Intention is to reach as many people as possible as we are looking for descendants of original participants.

I volunteered with USGenWeb in Mississippi both as a county and state coordinator from approximately 1996 to 2002. Katie was the author of Keeley

s Korner a special project during the same time period. We personally

	<p>know the helpful attitude of the volunteers and would like to speak with you more on the matter. My cell number is 601-668-8309 and I can 3-way Katie in to answer any questions you have that I cannot answer. I look forward to hearing from you and hope we can work together on this project.</p> <p>Sincerely, Linda Mason Armstrong Linda Mason Armstrong, Genealogical Coordinator The 2015 Lincoln Funeral Coalition http://lincolnfunealtrain.org linda_armstrong47@yahoo.com 601.668.8309</p> <p>15 March 2012 I have given approval for the use of the logo since the majority of you have had no objection.</p> <p>Sherri Bradley National Coordinator</p>
<p>Discussion of the creation of a logo that can be used on non-USGenWeb sites to show support for our Project.</p>	<p>29 March 2012 Moved by Pat Asher and seconded by Nancy Janyszeski and dated 29 March 2011, the motion reads: " I move that the discussion of a logo that can be used on non-USGenWeb sites be closed, and that no such logo be created at this time. I request that this motion be handled by general consent."</p>

	<p>Are there any objections to this motion?</p> <p>Sherri Bradley National Coordinator</p>

<p>USGenWeb Joins FamilySearch.org in the Indexing of the 1940 Census</p>	<p>26 March 2012</p> <p>The USGenWeb has signed up to help FamilySearch.org index the 1940 census!</p> <p>We're listed under the participating "Societies" (they didn't have an option for a Project as such to register). If your state project would like to participate, you'll need to register as a participating "society" too (under the USGenWeb Project "umbrella"). To register as either a participating society or an individual transcriber (indexer), go to http://the1940census.com/. Participating projects/societies can add one of the Society badges displayed at https://the1940census.com/society/society-badges-3/ on their sites, as well as the individual indexers can participate in the Societies Games and Prizes.</p> <p>If you have any problems, please let either Linda Lewis (webmaster@cottonhills.com) or I (usgenwebnc@windstream.net) know so we can help. I know that we can mobilize an army to help indexing the census when it is released next week - please help make that happen!</p> <p>Sherri Bradley National Coordinator</p>
