It has been pointed out to me.... since I'm not facile with this board motions situation... that I asked for this by general consent, and then asked if there was any discussion and that this triggers a vote. I should have posted as to whether anyone had any objections. I apologize. Now that we have heard from Cyndie, I will request the vote. I apologize. I'll get it right next time.

I hope everyone is able to vote quickly on this one so I can advise the EC of the results. Thanks for your assistance.
