Bylaws Revision
News**

(11-02-04) From Roger Swafford, chair of the USGenWeb Bylaws Committee by way of NC Shari Handley:

*** Please Forward to appropriate project email lists***

The BRC (Bylaws Revision Committee) is in recess pending appointment of replacement members. I think that bylaws revision is the most important task in progress and will likely set the course for the future of our project. Careful consideration of the rights of all components/groups that comprise the project must be balanced with the rights of the project itself.

Members who have time to participate in deliberations regarding the proposed revisions at <http://home.mchsi.com/~sagitta56/revisions.htm> are asked to consider volunteering for appointment.

Interested members contact the National Coordinator srh@tyaskin.com

	or the BRC Chairman sagitta56@mchsi.com
